## JUNE 2023

## NOTES & NEWS

### Summer's Bounty

June has arrived, which means summer gardens are beginning to produce their bounty! This month is an ideal time to visit farmers' markets and check out seasonal displays at grocery stores for fresh selections of fruits and veggies.

### Jet-Setters and 'Set-Jettors'

If you've ever been inspired to visit a location after seeing it on TV or in a movie, then the latest travel trend is for you. Nearly two-thirds of vacationers say they chose a destination based on a favorite show. Industry experts have nicknamed the trend "set-jetting," a play on the term "jet-setting."

### Tasty Tzatziki

Cool and refreshing, the Mediterranean dip called tzatziki is especially pleasant during hot weather. Made from Greek yogurt, cucumber and herbs such as dill and mint, it's tasty served with fresh vegetables, bread and crackers. Or try it on sandwiches, as salad dressing, on baked potatoes or as a tartar sauce substitute for fish.

## HIGHLIGHTS

### Dog Owners

Owning a pet, you take on the responsibility of cleaning up after it. Bags are a courtesy to residents; it is your responsibility to have all necessary items to be responsible for your dog's actions. Please pick up your dog's feces.

### INSPECTIONS

I will be getting some help from other managers with Newport to help me get ALL inspections done in JUNE. Please make sure your lot is clean and clear of all clutter & up to standards.

### Rent Statements-Online Access

You do have an option of creating an account online to view your monthly charges. (Please contact manager for more information.) You could either pay online or simply write a check & drop off in rent drop-box outside or on the manager's door inside the Clubhouse. (Don't forget your key card.)

### WEEDS

We recently have been having a lot of rain which is causing more weeds to come out. Please make sure you are taking care of them, because they are not a one-time task—more like an every 2-3 weeks type of task. Also, keep in mind to trim your bushes, trees & plants as required per Rules & Regulations. **DO NOT PLANT ANY TREES.**

You can also create the design of your dreams by stenciling a pattern onto a plain piece of carpet.
