NOTES & NEWS

Re-Inspections Delayed

Re-Inspections will be delayed until further notice. There are still some homes that have not received their first inspection, which need to be mailed out before re-inspections can start.

Got Dusty Blinds?

Clean blinds more efficiently by wrapping a dish towel or rag around each side of a pair of tongs, securing with rubber bands. Now you can use your DIY duster to clean both sides of each slat at the same time.

It's Good To Ask Questions

We can sometimes feel embarrassed when we don't know an answer or are confused about something. But don't be afraid to ask questions! It's the only way we can learn. Asking questions is a foundation of clear communication, preventing us from making incorrect assumptions and helping us solve conflict. Inquisitive people also tend to have higher emotional intelligence. So ask away!

HIGHLIGHTS

Emergency Issues-Report

If you see an emergency issue, please contact the office and report it. We are a community & in order for issues to be resolved we would like to be notified about it. It takes excellent communication to make things work.

Improvements on Homes

Please check with the office before any improvements inside/outside of home/lot. Certain improvements could require permits from HCD.

Fremont High School News

All students in 94089 are eligible for FREE bus passes. Go to <http://bitly.was/RFWA> to start the process. VTA has changed the bus route to Fremont. Please check with VTA schedule for more information.

Driving Speed 15 Mph

All residents PLEASE inform all your guests to drive slowly while in our community. Speed limit is 15 mph. We have had a few incidents where people & kids almost got hit from speeding. Let's prevent something horrible from happening.

Clean Lot Spaces

Please keep lots clean, clear of debris & uncluttered.

Grain Bowl Goodness

Colorful and flavorful, grain bowls are a great way to pack in nutrients while using up assorted ingredients in your fridge, freezer or cupboards. Start with a layer of cooked grains, such as rice or quinoa; toss in some chopped veggies (raw or cooked); add protein—cooked meat, beans or eggs are good choices; then drizzle on a dressing. Try a tasty topping like seeds or nuts for crunch. With endless options, you'll never get tired of this healthy meal!

"This Month In History"

SEPTEMBER

1916: The British Army uses the offensive tank in battle for the first time amidst World War I. Ushering in a new era of mechanical warfare, the tanks were unrefined and unreliable during their first battles.

1931: The weekly broadcast "15 Minutes With Bing Crosby" debuts, launching the iconic career of the multimedia superstar.

1947: The U.S. Air Force becomes an official branch of the Armed Forces. The Air Force is the second-youngest branch, just ahead of the Space Force, which was established in 2019.

1956: Play-Doh is marketed and sold as a child's toy for the first time! Originally, it was used to remove soot marks from wallpaper.

1960: The first televised debate between two presidential candidates occurs, with John F. Kennedy and Richard Nixon discussing domestic concerns.

1979: ESPN airs their first broadcast, "SportsCenter." The sports news show remains the network's flagship program, with segments playing multiple times a day.

1986: The House of Representatives votes "aye" on the rose resolution. By the end of the year, President Ronald Reagan would declare the rose the national flower of America.

2020: Norman Lear is the oldest person to ever win an Emmy. First setting the record in 2019, the TV writer and producer surpassed himself the next year, when he won an Emmy for outstanding variety special at age 98.
