## JANUARY 2024

## HIGHLIGHTS

### Stop Clutter in Its Tracks

Follow this minimalistic rule for a clutter-free home: One in, one out. It's as simple as it sounds! When you bring a new item into your space, whether an article of clothing or a cute trinket, you get rid of one already there—ideally by donating it. This practice not only helps with decluttering but also can stop you from making unnecessary purchases. Before buying something, you'll have to decide if it's really worth replacing an item you already own.

### Power Strip Pointers

Power strips are helpful tools in homes and offices, providing more outlets for all your electronic devices and appliances. Use power strips properly to keep yourself and your belongings safe:

- Use power strips that are also surge protectors. These protect electronics from damage during a storm or other power outage.
- Check the joule rating of the power strip. Small appliances need fewer joules, but for computers and similar devices, look for strips with a 1,000 joule rating or higher.
- Never "daisy chain" your power strips—plugging a power strip into another strip. This is a dangerous fire hazard. Always plug a power strip directly into a wall outlet.

## NOTES & NEWS

### Happy New Year!!

I hope everyone's Holidays were filled with fun, joy & love. I'm excited to share & begin another year with all of you.

### New Fun & Connection Team (FACT)

Since the disbanding of the social club, there have been requests to have social & fun events for members of the El Dorado Community. Jerry Bowes, a new resident, has asked to take the lead to gather ideas & helpers to create fun social events to help everyone get to know & support their neighbors.

His first idea was to have a central information portal to collect feedback, display event calendars, & give anyone a single source of event information & a way to make it easy to sign up to attend and/or help.

The web portal is now online at <https://eldoradomhp.org> You can provide feedback today with the feedback form on the website or by clicking on the 'Email Webmaster' link at the bottom of any website page.

### Donut Mixers

The focus in January will be to host 2 simple donut mixers on the mornings posted on calendar/back. The purpose of these will be to give interested people a chance to meet & greet, to hear some of Jerry's ideas and, more importantly, for Jerry to hear from all of you what activities you would like in the coming year.
