NOTES & NEWS

Kick Out Your Feet for Better Sleep

Your feet may be the key to a better night's sleep. The National Sleep Foundation says keeping one foot outside the covers can help your body maintain a lower temperature, which allows you to fall asleep faster and enjoy a deeper doze.

Sewage & Plumbing

This is a reminder PLEASE DO NOT flush down the toilet: Wipes, paper towels, lady hygiene, etc. Also, make sure long hair does not go down drains or flushed down toilet as well. These are all things that clog underground plumbing/sewage.

Mailing & Packages

Please make sure to put your space number when ordering anything and putting in your address. I have been receiving a lot of packages/mail with no space # which we do end up delivering to your door.

Dump Pick Up

City of Sunnyvale allows 2 large dump pickups a year; please keep that in mind when cleaning your home or getting new items.
