NOTES & NEWS

Homeowners-Selling

To All Residents: If you plan on selling your homes, you must come to the office and complete a document (60-day notice of intent to sell).

Timely Fitness

Whether you're a morning or an evening person, plan your workout for the time of day that suits you best. Your exercise regimen will be easier to tackle when you're at your most alert and energetic.

Driving Speed 15 MPH

Just want to remind everyone the speed limit in our community is 15 mph and I've had quite a few complaints of speeding & pedestrians & pets almost being hit. Please communicate to your friends & family of the Speed Limit to keep everyone safe.

Donut Mixers

Come & enjoy some delicious donuts while conversing with your lovely neighbors in the community, getting to know one another, or discussing other future ideas to have fun while doing so. See Calendar on back for dates/times.

HIGHLIGHTS

Giving Back, Bit by Bit

Giving back to others doesn't have to take a lot of time or energy. Micro-volunteering refers to low-effort, short-term opportunities to do a good deed, and can include activities like filling out surveys, signing petitions, sharing social media posts or translating documents. With micro-volunteering on the rise, many nonprofits are offering multiple mini-sized ways to help make the world a better place.

Spring Cleanup/BBQ Lunch

April is a good spring cleaning time—on 13/14th weekend, anyone can take a load of junk to the Sunnyvale dump for free. We will have a 'help your neighbors with spring cleaning' morning followed by a BBQ Lunch, Sat., April 13th. If you want/need help (or moral support), fill out a 'Help Request' on the <https://eldoradomhp.org> website. FACT is asking \$10 for the BBQ lunch (\$5 kids under 12). If you help, you get to eat for free. Helpers must be here at 9am, in front of clubhouse; lunch about 12:30pm.

Inside Flea Market

Tables for sale for \$10. Make your junk someone else's treasure or put a smile on someone's face with your creative items you'd like to sell. Details posted on website <https://eldoradomhp.org>

Landscaping

If you need some assistance with cleaning up your lot's landscaping because you're not able to or simply can't afford it, Rafael has offered to help you pull your weeds, and trim your trees & bushes. Please reach out to the office to be put on the schedule.

"This Month In History"

APRIL

1860: The first Pony Express rider leaves St. Joseph, Mo.

1908: Home to large sandstone pathways formed over time by flowing water, the Natural Bridges National Monument is established in southeast Utah.

1932: Dr. Charles Glen King, a chemistry professor at the University of Pittsburgh, isolates vitamin C from lemon juice. This breakthrough made it possible to accurately study the nutrient's properties and benefits in medicine.

1956: Daytime soap opera "As the World Turns" premieres on television. It was the first soap to have a half-hour runtime, rather than just 15 minutes.

1970: Almost 56 hours into a mission to the moon, Apollo 13 commander Jim Lovell reports to ground control, "Houston, we've had a problem." Days later, after a gripping rescue mission, millions around the world watched the spacecraft splash down safely in the Pacific Ocean.

1994: South Africa holds its first multiracial elections, with Nelson Mandela earning 62% of the popular vote to become the country's first Black president.

2010: Apple debuts its tablet computer, the iPad. Consumers purchased 300,000 units on the first day.

2021: A rare copy of "Action Comics #1," featuring the debut of Superman, sells for a record-breaking \$3.25 million.
