NOTES & NEWS

'M' Is for Mother

In the majority of the world's languages, the word for "mother" begins with the "M" consonant sound. Linguists say this is likely because "ma" is one of the first sounds uttered by infants.

Letting Go

Many people hold on to things just because they paid a lot for them. To help you let go of items you no longer need, ask yourself this question: "How much is it worth to me today?" If the item doesn't have a high value in your life now, then it isn't worth keeping, regardless of the original price.

Remember and Appreciate

Memorial Day is a time for remembrance and appreciation. We remember those who have gone before us and appreciate the friends and family who surround us as a new season is set to begin.
