JUNE 2024

NOTES & NEWS

DOGS, Leashes & Poop Bags

There have been too many complaints about dogs not being on leashes, owners not picking up after their dogs, and not having poop bags handy. Reminder: as a dog owner it is your responsibility to abide by all rules & regulations of the community for safety reasons.

USPS Mail Person

There have been multiple incidents between El Dorado residents and our mail lady (Unacceptable). ALL residents need to be polite & respect our USPS mail deliverers. DO NOT BLOCK any mail box access with your vehicles (Cars shall not be parked past driveways.). They have a job to do: allow them to do so.

Working on CARS

Reminder: NO ONE is to work on their cars (mechanically/washing) in their carport driveway. We have a designated car wash station for you to wash & detail your vehicles. Mechanical problems need to be done off of El Dorado property.

HIGHLIGHTS

Roses for Dad

People often think to give flowers to the women in their lives, but studies show that men appreciate floral gifts just as much—yet they're less likely to get them. You can change that oversight this month by honoring a special guy in your life with a red rose, the traditional flower for Father's Day. The custom dates back to the very first Father's Day celebration, held in 1910.

POOL

Under no circumstances is anyone allowed to have a pool party here at El Dorado MHP. NO FOOD or ALCOHOL is allowed. Please be respectful of the rules so everyone in our community can enjoy the pool.

Mailing & Packages

Please make sure to put your space number on the address for delivery. We have had delivery drivers drop off packages at the wrong space number even though it was clear about where to bring it. You can always check with the office if your package was delivered to the office or elsewhere in the park. If someone else's package was delivered to your home, please contact the office or deliver it to the correct space.

FACT (Fun & Connection Team)

Please register for updated fun events in our community, no cost: Great way to socialize & get to know your neighbors.

Self-Care Corner: Screen-Free Zones

Watching TV, working at a computer or scrolling on a smartphone are all common and harmless activities—until they become too much. Research shows that excessive screentime can have negative effects on both physical and mental health. While you don't need to eliminate screens entirely, designating certain spaces of your home as screen-free zones—such as the bedroom or the dining area—can help you lead a more balanced life.
