## AUGUST 2024

## NOTES & NEWS

### Toilet Usage

These items DO NOT go down the toilet; 1. Lady hygiene (tampons) 2. Wipes (even flushable ones) 3. Paper towels. All these items could clog the sewage and cause backup. Please inform all your guests.

### LOUD VEHICLES

We would like to kindly remind everyone that according to the rules & regulations of the community, loud vehicles are not permitted on the premises. We ask for your cooperation in respecting this rule by refraining from driving loud vehicles within the community. If your guest drives a loud vehicle, we kindly request that you meet them in front of the community, on the street to the left of the entrance.

### Respect Quiet Hours

Quiet hours are in effect from 10pm-7am on weekdays, and 10pm-8am on weekends & holidays. During these times, we kindly ask that all residents refrain from using the amenities (car wash, laundry room, etc.). Thank you.

## HIGHLIGHTS

### DOG OWNERS

We have observed instances of dog waste being left in common areas & on other residents' lots. It is important to show respect & responsibility by promptly cleaning up after your pet & ensuring they don't stray onto others' lots. Please use the provided poop bags, although we advise all pet owners to carry their own supply as well. No excuse for not properly disposing of waste. Thank you for your cooperation.

### Respect Thy Neighbor

Recently, there have been several incidents of conflict between neighbors in our community. It is important that we all agree to abide by rules & regulations in place to ensure a comfortable living environment for all residents. The office will only intervene if these rules are violated. An official complaint form will need to be filled out or emailed to the office, including any pictures or videos. Thank you for your cooperation in maintaining a harmonious community.

### PICK UP TRASH

We have observed an increase in litter scattered throughout the community & shared spaces. Let us prioritize maintaining a clean & visually appealing environment by properly disposing of our waste & ensuring our visitors do the same. Trash bins are available for use.

### POOL RULES

NO PARTIES.  
NO MORE THAN 2 GUESTS.  
RESPECT POOL RULES & PARK BELONGINGS.
